PARTIBAN OBSTRUCTIONISM.

A more effective example of the evils of blocking a measure from purely parti-san feeling could hardly be supplied than the present disgreeful block to the the present disgraceful block in the this continent and one of the greatent commercial centres of the world has to sit in absolute helplessness and cat its heart out over the spectacle of a faction in the Senate, led by a "Boss" politician, going against the wish and interests of New

Could a stronger argument be presented than the dogged and irritating partisanship of these Albany obstructionists!

point. Liberal right-minded leaders of partisans exist, and for which they preunseemly course which PLATT and his then, poor man! followers have adopted and maintained in spite of the popular outery and vexa-tion. Further comment on the situation investigation of the Street-Cleaning Department target: is superfluons. He who runs may read the baleful lesson of Plattisa.

If the World's Fair is lost to New York, and the generous efforts of the town's best citizens are frustrated by this small Achilles, then should the people remember that it has a debt to be paid to first opportunity to square accounts.

EIGHTEOUS PAYMENT.

No better indersement of the Weekly flood of letters received daily at the office tended for an Easter offering.

flood of letters received daily at the office of This Wonn of from entitius sistic work ng. men. They are to be the beneficiarie of the measure if it is carried through, and their keen appreciation of what it means to them is the strongest reason that could be advanced in behalf of the bill.

Some things are so evidently wrong that it seems incredible that right reason can entertain a diversity of view in regard to them. The payment of workmen every week is simply to give the laborer his band-enrued wage when he has carried it. The only objection to it comes from the wealthy corporations and employers who look grudgingly at their mayriad penies and few of a few of them for simple justice. This is the whole thing in a nutshell.

A messive tembsione representing a first and payment of a few of them for simple justice. This is the whole thing in a nutshell. Pay the workman every week and enable him to meet the weekly oullay demanded for the necessary expenses of living, and of the contexpose of the part of the payment of the pay him to meet the weekly outlay demanded for the necessary expenses of living and if his employers make a few hundred dollars less because they are just, no one a "King's Dauguter" dispersing charity.

lars less because they are just, no one can grive for this, not even themselves, if they are not dead to feelings of common humanity.

The news of the day includes two items of interest, hoth of the same character.

A young woman, in each instance, shot a man who had accomplished the ruin, and shot to hill. In example of this kind sympathy is often a damper of an appropriate of the stand shot to hill. In example of this kind sympathy is often a damper of an appropriate of the stand shot to hill. In example of this kind sympathy is often a damper of an appropriate of the stand shot to hill. In example of this kind sympathy is often a damper of an appropriate of the stand shot to hill. In example of this kind sympathy is often a damper of an appropriate of the stand shot to hill. In example of dissipling a young woman, or any person, from doing violence if necessary to a man guilty of plysical violence of assant to hear virtue. Is the man who beguite by honeyed words and I ving promises the residual has were sufficiently appealed violence of assant to hear virtue. Is the law's province to avenue. The words and I ving promises the victim, and it should do it as tuly as possible.

The value of discipling received a near the victim of the law of plysical violence of assant to the victim. And it should do it as tuly as possible.

The value of discipling received a near thing heart of a girl to the loss of her hear of the victim, and it should do it as tuly as possible.

The value of discipling received a near the victim of the law of playing the victim to the Death of the black before a damper of the late Alphane the victim, and the victim of the death of the late Alphane the circum of the best and should be received of the same character.

The value of doing violence if necessary to a man guilty of plysical violence of a seas to the victim of the company with the season of the properties of the playing the victim of the delighted properties of the playing the victim of the delighted properties of the playing the vic

charge to Honear Joneson, the fourteenyear-old colonel who led the retreat. Fire, hundreds of children and a panic would have meant a ghastly horror. But thanks to strict discipline and coolheadedness, the panio was omutted.

In the three-year-old race at Clifton resterday King William blod at the nose at the quarter, and falling to the track, broke his neck and died before the unhorsed jockey had fairly got upon his fact. King William closes an unfucky will be made to have a great desire to shink in acciety. Shapper—My side is that his ambission is to shink into society. "Are they full regular?" "Are they full regular?" "Haven't you any larger size?" and a hundred similar inquiries are heard. Many miss are closed in quick time and

career by this untoward finish. He has special cost his backers dearly since he has been upon the track and is not greatly to be

Promptness is not reckless haste. The seing tendency in our marine craft may be over developed. Two tues, in a desire to capture a "tow," charged so madly for the unfortunate steamship that one of An Interesting Study in Human them drove straight into its prow, making a big bole and lenk. The tug narrowly escaped going to the bottom itself. .83.50 Safety and ordinary prudence should not go to the wall entirely.

WORSE THAN JOB'S BOILS

He ached from head to foot, and had a bad cough and as appetite for fire years, then he went to Drs. Copeland

Hard. Hauphody has ever had herd lines from the efforts of tatary); it is is ab Hellor, who lives at 61 kyo, t. He told a reporter, the following story; I have contracted clearer about her sear ago. I has excited in a cigar factory, and always had to save in a transition in a cigar factory, and always had to save in a transition. The confer was that I cought a store by eyes in my facial and fortestach. By sourced was always our more than a factor of order. That no appetite, and always our more than the factor of th

JATOB HELLER, OI AVENUE C.

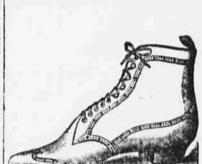

"I had pains in my back and kidneys, and a very back cough. I was continually raising phisem. I feit worse in the morning and when I would get out of bed I feit as inough I laid done shard day's work. I ashed from head to foot. I had pains in my less and sirvays had a tirred feeling. There was a dryness in my throat, and my head was always storped up—as badly that kirst one side of iny ness would be clogged and then the other, and sometimes both sides. imo both side.

I tried allowers of patent modicines, but they never did me any good. One day I read of the marvelone ourse effected by Dra. Cepeland and Hisir, and three mouths say I began treatment under them I got immediate relief, and from view to weak I could be an an improvement. "My head is perfectly clear now. I don't have any more pains in my head, and my threat deean't resulte me any more. My stomach is in a healthy condition, and I have a good appetite and enjoy my meals. To make a long story short, I am aff right now, and I owe it all to Drs. Copeland & Dlatr."
